

LEE & PLUMPTON

## Education Furniture

*Changing the way you work*

"We have a commitment to efficiency, quality, service and the environment... working towards a more sustainable and greener future"

## Established in 1974

We are a family owned and operated UK manufacturer offering a variety of furniture solutions to the office and learning environments.

We are so confident that our furniture is manufactured to the highest quality standards that every stocked range we produce is backed by a 10-year guarantee.

**UK MANUFACTURER**  
Quality UK manufacturing since 1974.

**DELIVERY**  
Next day delivery is available on selected items.

**I.C.T**  
Providing a secure IT desking solution.

**STORAGE**  
A variety of storage solutions to suit your needs.

**DESKING**  
Desking for the office or learning environment.

**TABLES**  
A range of folding, tilt top and height adjustable tables.

**TAILORED SOLUTIONS**  
Bespoke designs tailored to your specification.

## Environmentally Friendly

Lee & Plumpton care about the environment and recognise that we have a responsibility to consider all aspects of our manufacturing processes.

We are committed to continually improving the ways in which we can minimise the impact upon the environment including the reduction of pollution and waste. Some of the ways in which we manage this are:

- Measuring and assessing our efforts through our ISO14001 Environmental Management System.
- Full membership to the Furniture Industry Sustainability Program (FISP).
- Our chain of custody certification with the Forest Stewardship Council® (FSC).

Our efforts to further reduce carbon emissions via our own transportation and numerous recycling initiatives is part of our ongoing commitment of working towards a more sustainable and greener future.

**SMARTTOP**

### SmartTop

The compact **SmartTop** design provides a dual use desk solution. Using an innovative mechanism which quickly folds the monitor, keyboard and mouse into the desk where it can be securely locked away to provide a clear working area. Using a simple release catch the desk opens to reveal these items ready for use.
